Lineage

Baba Gangadhara
Paramahamsa

➤ Ma Gurupriya's spiritual journey started at a young age when a feeling of overwhelming dispassion evoked an intense yearning for the Eternal. She received deeksha from Baba Gangadhara Paramahamsa, who, before attaining Mahaasamaadhi, entrusted her spiritual welfare to his disciple Poojya Swami Bhoomananda Tirthaji.

➤ As instructed by Poojya Swamiji, Ma renounced her professional life in 1984 to dive deep into the Scriptural knowledge. In 1987 she dedicated her life wholesomely to the service of Poojya Swamiji in all aspects of his mission.

- Ma has a special knack of explaining the essentials of spiritual saadhana at a down-to-earth level. The practical examples, together with her powerful chanting of shlokas, make her discourses easily relatable and inspiring for the listeners.
- Guru-bhakti and Guru-seva remain the predominant notes shaping Ma's life, and are expressed through her discourses, writings, management of the Ashram, and loving guidance to seekers. Ma's soulful chanting instantly transmits the power of devotion and dispassion to the listeners.

“Absorbed in silence, sitting amidst the crowd of devotees, I prayed: Let me be more and more grateful each day; let me remember Thy Grace every moment and feel blessed. Not only on this special occasion, but every moment, let this feeling permeate each thought, each action. Through this constant remembrance, let my surrender at Thy feet become more and more complete and wholesome.”
